

REGULATORY SUPPORT FOR LEGAL MATTER

Healthcare is a complex and heavily regulated industry, with healthcare providers being subject to many different rules and guidelines. Understandably, the more rules you have, the more scrutiny you are under. The Rybar Group works hand-in-hand with clients, serving as an impartial expert and counselor. If you need an expert witness, an audit validation, data analysis, or help in developing and implementing a compliance program, we are at your side. The Rybar Group understands the fast-paced environment of the healthcare industry and is dedicated to not just meeting, but exceeding, your needs, as well as those of your clients. We know time is of the essence and work diligently and flexibly to complete necessary actions.

The following is a listing of services most often requested by our attorney clients. If there is something you need that is not listed either here or on our website, please let us know.

SERVE AS AN INDEPENDENT REVIEW ORGANIZATION (IRO)

We possess the necessary qualifications and expertise to satisfy the OIG's requirements of an IRO. We are an experienced IRO for various types of Corporate Integrity Agreements, including coding and billing, and claims submissions. We have developed strong relationships and are accustomed to working with the unique situations your clients face.

DUE DILIGENCE

Whether your client is acquiring a practice or being acquired, we can meet your needs when it comes to documentation, coding and billing reviews, with a strong emphasis on compliance and financial impact.

CODING AND BILLING REVIEWS, INTERNAL AUDIT SUPPORT AND DEFENSIVE AUDIT SUPPORT

If you have clients who have concerns about a specific issue or issues and are seeking external validation or direction of

current documentation, coding and billing processes, our experts can provide guidance and support. We will perform the necessary reviews and research to help your client develop a solid, supported and defensible position on the issue.
